## Summary:

Christopher Ansley, Earl of Waxham, has constructed a perfect image for the ton—the ladies love him and his company is desired by all. Only two people know the truth about Waxham's secret. Unfortunately, one of them is Miss Sophie Winters.

Sophie Winters has known Christopher since she was in leading strings. As children, they delighted in tormenting each other. Now at one and twenty, she still has a tendency to find herself in scrapes, and her marital prospects are slim.

When his father threatens to expose his shame to the ton, unless he weds Sophie for her dowry, Christopher concocts a plan to remain a bachelor. What he didn't plan on, was falling in love with the lively, impetuous Sophie. As secrets are exposed, will Christopher's love be enough when she discovers his role in his father's scheme?
