## Summary:

All she wants is security:

The last place finishing school instructor Mrs. Jane Munroe belongs, is in polite Society. Vowing to never wed, she's been scuttled around from post to post. Now she finds herself in the Marquess of Waverly's household. She's never met a nobleman she liked, and when she meets the pompous, arrogant marquess, she remembers why. But soon, she discovers Gabriel is unlike any gentleman she's ever known.

All he wants is a companion for his sister: What Gabriel finds himself with instead, is a fiery spirited, bespectacled woman who entices him at every corner and challenges his age-old vow to never trust his heart to a woman. But there is something suspicious about his sister's companion. And he is determined to find out just what it is. All they need is each other: As Gabriel and Jane confront the truth of their feelings, the lies and secrets between them begin to unravel. And Jane is left to decide whether or not it is ever truly safe to love a lord.
